

Hi, this is **City-Parish President Joey Durel**. **Sorry to bother you at home, but I wanted to make you aware of our new service** : Connect Lafayette. When the need arises, we will call you about important issues.

Future messages may contain information regarding power outages, hurricane evacuation, street closures in your area, and other matters we need to communicate to you to keep you better informed.

I would also like to remind you that tomorrow is an important election day, so please remember to vote.

If you would like to receive future messages at additional phone numbers, by text message or email, please visit the **Lafayette Consolidated Government** website at [www.lafayettela.gov.] and click on the link that says "SIGN UP NOW – SERVICES BY CONNECT-Lafayette"

Thank you for listening!
